## Background

Michel Prud'homme is a Senior Surety and Fidelity Bond Claims Adjuster with BBCG's Montreal office. He is a graduate of Université du Québec à Montreal in Business Administration (Management Accounting), and is a Certified Independent Adjuster in Quebec and New Brunswick. Prior to joining BBCG in 2001, Michel was a senior claims examiner and claims supervisor with a major insurer.

Fully bilingual in English and French, Michel brings over fifteen years experience in claims adjusting. He is certified as an instructor by the Chambre de l'assurance de dommages du Québec.

## Areas of Practice

- Surety bond claims.
- Builders' risk and course of construction.
- Fidelity bond claims.
- Professional liability and D&O.
- Financial institution bond and trade credit claims.

## Professional Experience

- Investigated, assessed and implemented claims handling strategies for numerous surety defaults in Canada and the United States.
- Managed multiple project surety defaults with total contract amounts in excess of \$50 million.
- Investigated fidelity bond claims with losses in excess of \$10 million.
